This week in Mrs. Marko's Class

All About our Week Written by the students in Room 107 ☺

Congratulations to Nila Kenyon...our Weekly Gremlin Gold Winner!

Adam – We are learned inventors. Eli Whitney invented the Cotton Gin.
Kilie – In writing, we all picked a famous person to write a biography on.
Lea – We celebrated Lily's two heart anniversary. She brought in heart cookies and we made a poster.
Kody – In math we are working on finding equivalent fractions through multiplication and division.
Savanna – We made pizza with Valeo's pizza!
Nila – In gym, we played bean bag stations. We had to toss the bean bag in the air and spin around to catch it.
Xavier – We read Dogzilla to our 4K buddies.
Braxton – This week we earned Extra Art with Mr. Grover. We made 3D shapes and lines.
Lily – We started reading our Kenosha History Book. The Potawatomi people lived here.
Alex – We finished a lot of IXL Fraction work.
Madi – We had the Gremmy's this week for Kindness.
Max – We studied compound words – two words put together to make one.
Jesse – We went to library and got biographies on our famous person.
Colin – Some people qualified for Lunch in the Classroom by earning 50 Gremlin Golds!
Will –We are trying to do better in specials and earn a Classroom Gremlin Gold. We earned library and gym.

Gremmy Kindness Award Winners: Max, Kilie, Lea, Lily, Braxton
